# Ambassadors

## Mission and Purpose

Our Ambassadors are the official representatives and "social arms" of the Chamber. Their missions are to support our events and members, gain professional and personal growth, enhance and promote their business, and make a difference in the Tullahoma community.

Ambassadors act as a liaison between the Chamber staff, membership, and community. Their duties include, but are not limited to making new members feel welcome, fully informing members and potential members on the membership benefits; letting current members know they are valued and appreciated; welcoming new businesses and recruiting new members; helping the Chamber with various activities and events; making a difference in the quality of life in the community in which we live; and at the same time promoting their business and enhancing their own personal development.
